

## HR Freedom in 90 Days

HR management for small-medium enterprise (SME) is ripe for an overhaul. Now you can hand over the HR reins with absolute confidence. WorkforceLogistics is full turn-key, automated HR administration in real time and it's the only solution of its kind. With the seamless, automated integration of HR processes and best practices, software and expertise, we'll have your HR operations functioning at full speed in 90 days, once and for all.

### Why WorkforceLogistics?

<b>Expectations</b>	Improve organizational effectiveness and personnel experience through affordable HR expertise, processes, and HR information systems.
<b>Focus</b>	Free your organization and its leaders from HR-related administration, distraction, emergencies, and obstacles with digitally enabled best practice workflows. Utilize structured recruitment, onboarding, and offboarding methods & tools.
<b>Compliance</b>	Digitally documented policy-to-procedure implementation via checklist workflows, personnel record administration, and a thorough audit trail.
<b>Governance &amp; Risk</b>	Mitigate legal, regulatory, and financial exposure. Proactively address employee performance issues.
<b>Cost</b>	Save at least 50% on the direct costs alone of traditional HR administration structures.

### What do we deliver?

- ✓ HR policies reset and perpetually optimized.
- ✓ Reset your existing workforce with updated contracts and onboarding.
- ✓ Full regulatory compliance. (Think employment standards, human rights, and privacy.)
- ✓ All HR processes fully managed. (Think contracting, policy application, performance issues, etc.)
- ✓ Employee time away balances are accurate, approved, and visible.
- ✓ One, complete digital record for every person with self-serve portal.
- ✓ On-call immediate support for leaders, supervisors, and staff.
- ✓ A perpetually optimized cloud-based Human Resources Information System (HRIS)

All for an affordable, all-inclusive, per employee subscription.
